PRODUCT MANUAL INFORMATION

INTRODUCTION

Everyone here at Razorback Offroad™ would like to thank you for your recent purchase of one of our products, and tell you congratulations! Our passion is to provide our customers with the best products and parts money can buy! Without support from valued customers such as yourselves, our business, as well as the people who work for it, wouldn't survive. We hope you find our products useful and get the most out of every experience with them. Thank you!

ATTENTION

This manual should be read carefully. It contains important information that needs to be fully understood and followed in order to ensure that the Razorback Offroad products discussed in this manual are used properly to ensure the safety of all persons (e.g. operators, customers, bystanders).

Caution: Read and follow all Manufacturer's Suggestions for hauling fuel on your machine. Also check all Local, State and Federal Guidelines for Safe Handling of Fuel) When in Doubt "Do Not Mount"

MIXING & MATCHING PRODUCTS

- Only use Razorback Offroad brand replacement parts for your Razorback Offroad products.

• ALWAYS FOLLOW STATE & LOCAL GUIDELINES!

 **SECUREMENT** It is the driver's / operator's responsibility to ensure that nothing can come loose from any part of their vehicle. It is the operator's responsibility to make sure that all items are in good working order and are properly secured!

 **MODIFICATION** DO NOT modify or tamper with any RBO product. Doing so will void any applicable warranty and may result in serious injury or death. • Warranties will be voided if any RBO Product is modified or tampered with!

 **INSPECTION** RBO requires that each operator of a vehicle perform a detailed circle check before and after each use of the vehicle. This inspection must include the power unit, the vehicle, and all items installed on the vehicle.

- Do not take chances with your life or other people's lives. Make sure all items are secured and in safe working order.
- Always inspect products for any signs of paint cracking, metal fatigue or premature wear.
- Maintain a visual inspection along with grabbing the product and wiggling or pulling on it to make sure there is no way anything can become dislodged from the machine.
- Remove from service immediately if repairs are needed. Do not take chances.

 **WARNING** Operating, servicing, and maintaining a passenger vehicle or off-road vehicle can expose you to chemicals including engine exhaust, carbon monoxide, phthalates, and lead, which are known to the State of California to cause cancer and birth defects or other reproductive harm. To minimize exposure, avoid breathing exhaust, do not idle the engine except as necessary, service your vehicle in a well-ventilated area, and wear gloves or wash your hands frequently when servicing your vehicle.

LIMITATION ON WARRANTY

Inventive Edge, LLC dba RazorBack Offroad™ (also referred to herein as RBO) warrants to the original purchaser that each new RazorBack Offroad™ (RBO) product will be free from defects in material and workmanship for a period of twelve (12) months from date of purchase.

RBO's obligation under this warranty, statutory or otherwise, is limited to the repair or replacement at the RBO factory, or at a point designated by RBO, of such part or parts as shall appear upon inspection by RBO to be defective in material or workmanship. In no event shall RBO accept such notification later than twelve (12) months from date of purchase. This warranty is not transferable.

Except as expressly set forth in this warranty, RBO makes no other warranty, express or implied, and hereby disclaims all other warranties including, but not limited to, the implied warranties of merchantability and fitness for a particular purpose. RBO shall in no event be liable for claimed downtime, claimed loss of profits or goodwill, or any other special, incidental, indirect, or consequential damages concerning or relating to any product or parts, whether based on negligence, strict liability, breach of contract, breach of warranty, misrepresentation, or any other legal theory, regardless of whether the loss resulted from any general or particular requirement which RBO knew or had reason to know about at the time of sale.

RBO makes no warranty, express or implied, as to the finished products manufactured or supplied by another manufacturer and supplied by RBO to purchaser, including, but not limited to, any boat or vehicle to which an RBO product may be affixed or any accessories, and RBO expressly disclaims any implied warranties of merchantability and fitness for a particular purpose as to such equipment or products. This language shall in no way affect or diminish the rights of the purchaser to rely on such warranties as are extended by such manufacturers or supplies. RBO shall, to the extent permitted under applicable law, pass on to the purchaser such manufacturer's or seller's warranty.

RBO, whose policy is one of continuous improvement, reserves the right to improve its products through changes in design or materials as it may deem desirable without being obligated to incorporate such changes in products previously sold.

This warranty is not intended to cover or include the following items, which are set forth by way of example and not limitation:

- Normal deterioration of trim, paint, lettering, appearance of items due to wear or exposure to weather, etc.
- Any damage or defect due to accident, misuse, abuse, operation exceeding rated loads, Improper or unauthorized repairs, failure to provide reasonable and necessary maintenance, or uses of which the equipment was not designed or intended.
- Alterations or modifications that affect performance, operations, or reliability.

Products Covered

All Products carrying the Razorback Offroad™ (RBO) name. (All other products purchased from other manufacturers are limited to that manufacturer's warranty.)

RBO 100% Money Back Guarantee:

The RBO 100% Money back guarantee pertains to any Razorback Offroad™ (RBO) Branded product purchased online directly from RBO. If you are not 100% satisfied with the product for any reason, just return the product back to RBO and RBO will refund 100% of the purchase price of the product. In order to receive refund for product return, RBO must be notified in writing or via email within 30 days of product purchase that user wishes to return product. In order for a product to qualify for the 100% money back guarantee, claim must be filed within 30 days of purchase date. Once the product is returned to RBO, RBO will send a check to the user to cover the initial product cost less freight charges if any. This offer does not include freight or transportation cost (See Return Policy). It is the responsibility of the purchaser to pay all freight charges. In no way will RBO be responsible to refund freight cost to end user. If RBO determines that the product was blatantly destroyed or damaged due to negligence of the purchaser, this refund offer will be null and void.

This warranty does not obligate RBO to bear the cost of labor or transportation charges in connection with the repair or replacement of any parts found to be defective, nor shall it apply to a product upon which repairs or alterations have been made unless authorized by RBO.

Return Policy

The Purchaser, when returning a Product, must follow the following steps:

1. The Purchaser must have proof of purchase of any damaged Product. The Purchaser must obtain from Razorback Offroad™ (RBO) a Returned Merchandise Authorization (RMA) will be given along with the correct address where to ship the damaged product.
2. The Purchaser must pay all shipping costs to deliver the damaged Products to RBO and must send the damaged Product along with the RMA and proof of purchase together.
3. Upon receipt of damaged Product, RBO will determine whether the damaged Product is covered under the Limited Warranty. If it is, RBO will repair or replace the Product. If the Product is replaced, the Product that is originally returned by the Purchaser shall become the exclusive property of RBO. If the returned Product is not covered under the Limited Warranty, RBO will notify the Purchaser before taking any further action with regard to repair or replacement, which would be at the Purchaser's cost.
4. Customer is responsible to pay shipping charges to RBO for product inspection. RBO will pay return freight if product is found to be under warranty using UPS Ground or equivalent.
5. If customer would like to have their product returned overnight or via rapid freight methods, RBO will give customer the option to pay for rapid freight options.

Notice to Owner or User

It is the responsibility of the Owner or User to go to our Product Registration page to register your RBO product. Failure to register product will void any expressed or implied warranties of RBO products. Filling out your online warranty registration is very important in the event that RBO should ever need to contact you concerning the compliance of your registered equipment with any applicable safety standards, the information you have provided on the warranty registration transfer below will ensure your immediate notification. User should also read and understand all operations manuals pertaining to the product purchased. User should also consult with all manufacturer's operations manuals regarding the addition of aftermarket products to their machines to make sure that RBO products can be used without affecting the machine's performance and handling. installation instructions

The following are general instructions for installation of the RBO "It Fits™" Rotopax Mount.

STEP 1

Setting the offset of the "It Fits™" Rotopax Mount:

0" OFFSET

(0" - STEP 1.1)

To set the "IT FITS™" Rotopax™ Mount to its first offset position (0") place the Offset Arm into the It Fits Mounting Bracket until the base of the Offset Arm is resting flush against the Mounting Bracket and the holes in the Offset Arm and Mounting bracket are aligned as shown in the image to the right.

See Figure 1.1

Fig. 1-1

1/2" OFFSET

(1/2" - STEP 1.1)

To set the "IT FITS™" Rotopax mount to its second offset position (1/2") place the Offset Arm into the It Fits Mounting Bracket and align the first sets of holes at the base of the Offset Arm with the sets of holes in the Mounting Bracket as shown in the image to the right.

See Figure 1.2

Fig. 1-2

⚠ Failure to follow the safety guidelines listed may result in voiding any applicable warranty, serious bodily injury, or death.

STEP 2

Securing the offset:

(STEP 2.1)

Once the rack's "IT FITSTM" mounting bracket and the "IT FITSTM" Mounting Bracket are aligned inset hardware into each of the four holes on the "IT FITSTM" Mounting Brackets and then start each screw with a single 1/4" Nylock Nut.

See Figure 2-1

Fig. 2-1

(STEP 2.2)

Once the cap screws and Nylock Nuts are started RBO recommends using an impact driver with a #3 Phillips attachment with a 7/16" wrench to tighten down each Bolt and Nylock Nut.

See Figure 2-2

Fig. 2-2

STEP 3

Installation of the “It FitsTM” Rotopax Mount to a rack:

(STEP 3.1)

Place the assembled mount with the “IT FITSTM” Mounting Bracket against the location on the rack you wish to install your “IT FITSTM” ROTOPAXTM Mount to.

See Figure 3-1

Fig. 3-1

(STEP 3.2)

Fasten ROTOPAXTM Mount to “IT FITSTM” mount using 1/4” x 3/4” Phillips/Slotted Screws and 1/4” Nylock Nuts.

See Figure 3-2

Fig. 3-2

(STEP 3.3)

With the screws and bolts in place RBO recommends using an impact driver with a #3 Phillips attachment with a 7/16” wrench to tighten down each Bolt and Nylock Nut to the RBO Rack.

See Figure 3-3

Fig. 3-3
